

	A	B	C	D	RETURN	SUPPLY
SQRPG101/102	22 3/4	12 1/4	22 1/4	14 3/4	16	16
SQRPG103	22 3/4	12 1/4	22 1/4	14 3/4	18	18

Installation

1. Install the D14CRBPGCHMA (not included) per the instructions. Do not apply the gasket.
2. Inspect the square to round for damage.
3. Place the square to rounds in the duct openings in the curb. Note that they are different sizes and the 22 1/4 x 14 3/4 should be placed in the Supply opening while the 22 3/4 x 12 1/4 should be placed in the Return opening.
4. Place the gasket included with the curb around the perimeter of the top of the curb and around the perimeter of the duct openings.
5. Set the unit on the curb.
6. Connect the ducts using approved methods.

NOTE: Duct work may be attached to the square to round prior to placing it into the curb.
